

# How to order PROFIS Anchor software and register activation key

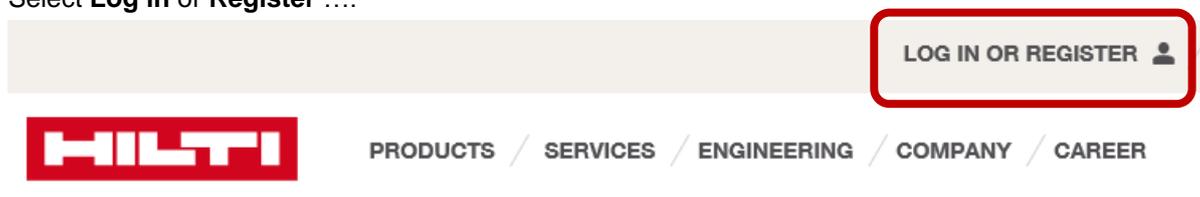

## It's as easy as one, two, three!

Hilti PROFIS Anchor software can now be ordered via Hilti Online, so you can download the software you need 24/7. Don't forget, PROFIS Anchor is still completely free of charge.

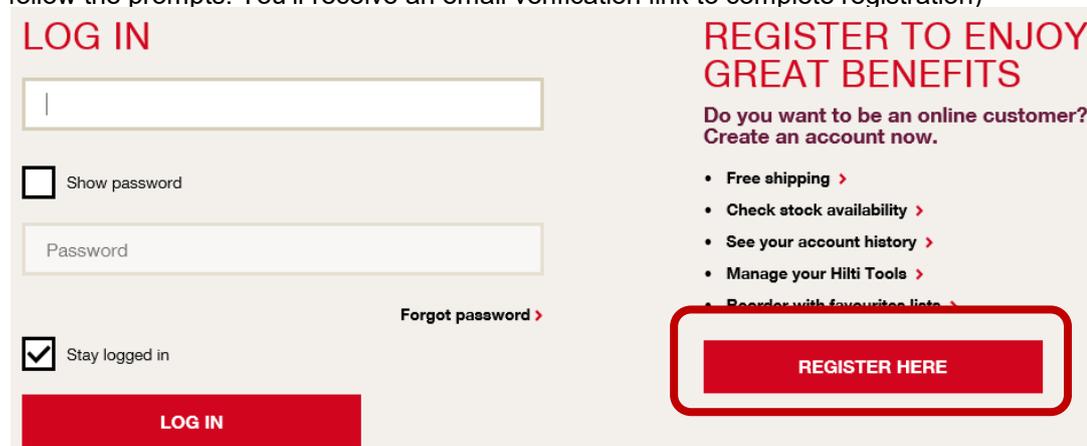

Newer versions of PROFIS Anchor (starting with ver 2.5.2) will require that users register their software with Hilti using an activation key. When you place a PROFIS Order with us, we will send you an e-mail that contains both a link to download the software and your activation key.

## Step 1. Login or register at Hilti Online (www.hilti.com.au)

Select **Log in** or **Register** ....

Enter your login details if you have a Hilti Online account (or select "Register Here" to create an online account & follow the prompts. You'll receive an email verification link to complete registration)

When you see the "Thank You" screen below, check your email inbox and click on the activation link you will receive from **Hilti Australia**. Continue to follow the prompts to fill out your account information
